May 2015

Dear regional and local Presidents and Nasirat Secretaries,

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

We pray you are well, inshAllah. Please read the following notes carefully.

### Syllabus and Urdu tests

At this time of year, you should have begun preparing the Nasirat in your Majlis for the syllabus and Urdu tests. Some (larger) Majalis should have begun taking these already as the **deadline for sending the test results is with your June report**. A mark sheet has been attached for your ease (It is also available on Nasirat website). Please ensure you include percentages in the mark sheet for all your Nasirat being tested.

### Hifze Qur'an

Hifze Qur'an tests should be undertaken at a local level and certificates for this should be distributed at regional Ijtemas, under the supervision of Regional Presidents. If there is a local Majlis nearby, Nasirat Secretaries can choose to arrange inter-Majalis testing of the Hifze Qur'an (ie. where a group of teachers from a Majlis visit the other to test the Nasirat and vice versa).

### Local and Regional Ijtemas

Please refer to the rules and regulations in the Ijtema Pack 2015 (which is also available on the Nasirat website). Speeches do not need to be memorised at local level Ijtemas but should be memorised for regional Ijtemas. Marks should be awarded/deducted for this accordingly at regional level. Nasirat attending and participating in any Ijtemas (local, regional or national) should always be in the correct uniform with the correct colour duppata/scarf according to their region. Marks will be deducted at the national Ijtema for incorrect uniform.

May Allah the Almighty guide us to bring up the Nasirat in such a way as is pleasing to Him. Ameen

Wasalaam,
