

**The Ahmadiyya Muslim
Community**

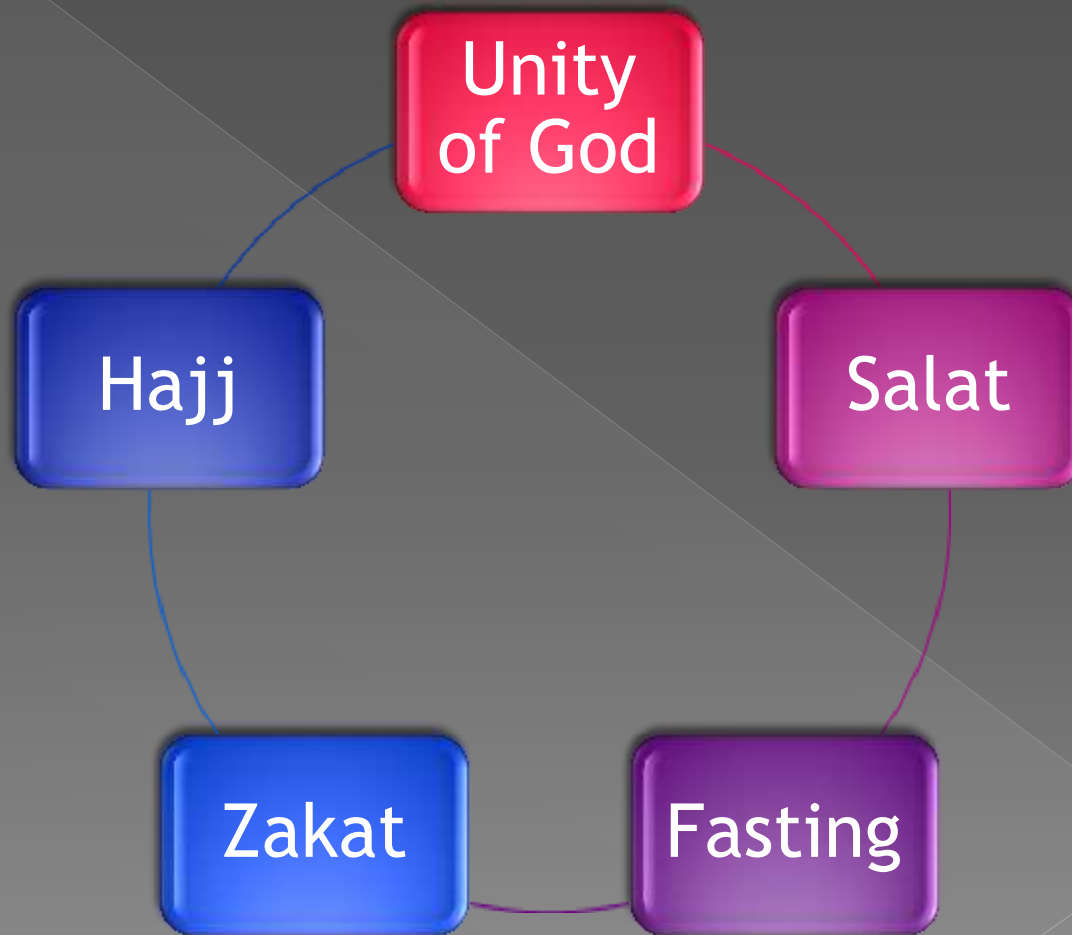

We Ahmadis believe that

There is one God, Who is Merciful and Gracious

The Holy Prophet Mohammad (peace and blessings of Allah be upon him) was seal of all the prophets and was the last law bearing prophet

Hardhat Mirza Ghulam Ahmed (on whom be peace) was the Promised Messiah and a non-law bearing Prophet of Allah.

We believe in 5 pillars of Islam

Six articles of faith make the basis of Ahmadi Muslim's belief

believing in Allah

believing in prophets of Allah

believing in angels

believing in books of Allah

believing in Day of judgement

believing in decree of Allah

We Ahmadi Muslims are different from ordinary Muslims

Three main reasons

1. We are different from ordinary Muslims because

We believe that like all other prophets before him, Jesus (on whom be peace) has passed away

While ordinary Muslims believe that Jesus (on whom be peace) is still alive and living in the skies

We believe that Jesus (on whom be peace) is buried in Srinagar Kashmir

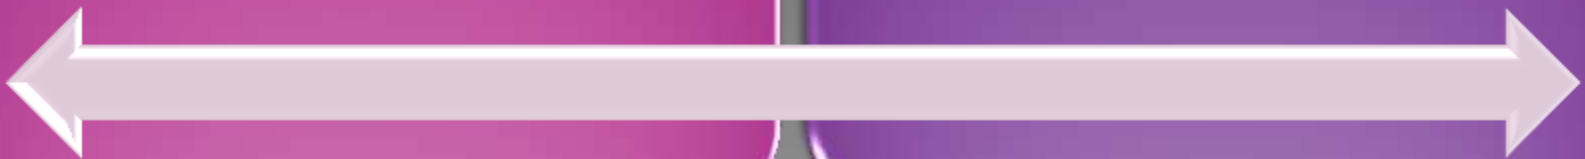

2. We are different from ordinary Muslims because

Ordinary Muslims are waiting for a Messiah and Jesus (on whom be peace) to descend from the sky

Ahmadis believe that the Promised Messiah as arrived in Qadian to unite the whole world in a peaceful manner.

3. We are different from ordinary Muslims because

We believe that the Holy Prophet (peace and blessings of Allah be upon him) was the last law-bearing prophet of Allah

We believe that the Promised Messiah (on whom be peace) was a non-law bearing prophet.

Ahmadis have firm faith

Allah will make Islam
very successful one day

We do not believe in
terrorism or religious
wars

We feel that Islam will
win hearts of people by
logic and evidence
