

Hadith. Modesty is the best virtue

Hadith means: The words actually spoken by the Holy Prophet (PBUH) or the words that describe an incident related to the Holy prophet's life. If a hadith does not contradict with *any* verse of the Holy Quran, it is our duty as Muslims to act upon it throughout our lives

الْحَيَاءُ خَيْرٌ كُلَّهُ

Modesty is all virtue

Modesty means to have a sense of shame.

A person who is truly modest has a sense of shame when he commits a sin and knows that Allah is aware of everything that he does.

That sense of shame should be apparent, in the way you talk, walk, behave and dress.

So dress modestly in the way Allah has prescribed, talk in a way that is decent, and walk in a way that does not attract unwanted attention.

True modesty will keep you away from all types of sin.
