

Hadith: Abuse Is A Sin

Hadith means: The words actually spoken by the Holy Prophet (PBUH) or the words that describe an incident related to the Holy prophet's life. If a hadith does not contradict with *any* verse of the Holy Quran, it is our duty as Muslims to act upon it throughout our lives

سَبَابُ الْمُسْلِمِ فُسُوقٌ.

Abuse by a Muslim is an evil

If you abuse anyone with your tongue or your fist what reaction will you get? Probably the same. You will hurt others and they will hurt you and this will go on and on. A Muslim should control his anger and show patience otherwise abuse of any kind will only lead to sin.

Allah expects Muslims to be kind people that have nothing to do with abuse or bad language.
