

Hadith: Show Mercy To Others

Hadith means: The words actually spoken by the Holy Prophet (PBUH) or the words that describe an incident related to the Holy prophet's life. If a hadith does not contradict with *any* verse of the Holy Quran, it is our duty as Muslims to act upon it throughout our lives

مَنْ لَا يَرْحَمُ لَا يُرْحَمُ-

One who does not show mercy will not be shown mercy

If as human beings we cannot be merciful and kind to each other, Allah Taala will not show any mercy towards us. It is our duty as Muslims to understand Allah's attributes. As Muslims we need to make every effort to try our and show those attributes in ourselves. Al Raheem –The merciful is one of Allah's most important attributes. Think about all the little sins we commit everyday; if Allah wasn't merciful we would be punished continuously. Remembering Allah's mercy towards us, we should always try to act mercifully towards others.
