Ijtema Syllabus 2024

Hifz-e-Nazm

Nasirat can select one nazm provided from their age group. All nazms selected are from Durre-Sameen, Kalame Mahmood, Kalame Tahir or Dure Adan. Verses may be repeated. Judges will mark for **voice, tune/control and pronunciation**. There is a time limit of **2 minutes** at which point the nasira will be allowed to complete the couplet she is reciting and then be stopped.

All Nazms MUST be memorised.

Hifz-e-Qur'an

The judges for this competition must be approved by the local Sadr, and should be chosen on her correct recitation of the Holy Qur'an. Nasirat will receive majority of marks for memorisation and should not be judged too strictly on their pronunciation. If more than one judge is required, then they should all work on the same set criteria so that all Nasirat are judged fairly. It is also permitted to invite judges from neighbouring Majalis if that is deemed more suitable by the Sadr. Hifz-e-Qur'an will only take place at Local and Regional level.

Age Categories

Age groups will be decided and stay the same according to how old a child is when their local ijtema takes place. Girls will stay in their age group for that competition if they go through to regional and national ijtemas, even if their age changes during that time, for example if a girl is nine years old when she takes part in her local Ijtema, but then turns 10 she will still compete in the 7-9 age category at regional and national level.
